# REVIEW OF MARKETS FINANCIAL AND COMMERCIAL

Stocks, Money, Exchange Bonds, Grain, Cotton, Provisions, Etc.

New York, June 21.—Transactions in stocks were of a paltry proportion, but this did not preclude some pretty wide movements of prices. In fact the lethargy of the speculation left the market vulnerable at any spot where genuine liquidation was thrown upon it. Such liquidation was undoubtedly made in all of the Tobacco stocks. American Tobacco suffered most severely, the extreme decline being 8%c. Continental Tobacco dropped an extreme 5 points and the preferred 3 points. Very heavy blocks of all three stocks running from 1,000 to 5,000 shares changed hands in the course of the decline or the hesitating rebound.

tating rebound.

The break in these stocks was due to the rumors, which have been persistent for several days of dissentions of the directors on a likelihood of a division of resources and possibly destructive competition. Coming on top of the experience of the last few days in the steel stocks, to-day's events added largely to the sentiment of disfavor held toward a large number of industrial stocks.

The steel stocks, themselves, were pretty firm on account of official as-

### The Cotton Markets.

NEW YORK COTTON MARKET. New York, June 21.—Notwithstanding yesterday's break of 3@7 points in the price of cotton futures, which led some traders to prepare for a reaction to-day, the market continued on the decline the market continued on the decline and prices, during the weakest interval, showed a further net loss of 15 to 20 points. At times the market was very unsettled and a panicky feeling pre-vailed. The slump was particularly no-ticeable during the morning, when the ticeable during the morning, when the selling appeared to be general by all classes. English cables were decided-ly disappointing; crop accounts con-tued of a brilliant average, and specu-lative support was almost entirely lack-
